### MISS SARAH FINLEY,

Vice-President of the Palmetto Club, Memphis, Tenn.

**WINE OF CARDUI** is a thoroughly scientific and modern remedy, meeting the needs of the modern woman in the modern way—without the torture of an operation. Wine of Cardui has cured them in the privacy of their homes and it has found a place in the hearts of American women that no other medicine has found. In their gratitude over 10,000 American women have written letters commending Wine of Cardui. Wine of Cardui meets their wants as no other medicine does. It sustains the young girl at the shock of her entrance to womanhood. Women who take Wine of Cardui have little discomfort during pregnancy and little pain at childbirth. When the change of life appears they enter a happy, healthy old age. Every month it comes to the rescue to assist Nature in throwing the impurities from the body.

Miss Sarah Finley, of Memphis, Tenn., vice-president of the Palmetto Club of that city, speaks for herself and many friends when she bestows the following praise on Wine of Cardui:

"Among the numerous medicines placed before suffering women for their relief none can touch McElree's Wine of Cardui. It towers above them all as a reliable female remedy. It simply drives pain and disease away and restores health in an incredibly short period. I have taken great interest in this medicine for the past two years, since it brought health and strength to me. I have also recommended it to a number of my friends and they who have used it speak of it in the highest terms and I feel that it is praise well bestowed."

If you are suffering from female weakness Wine of Cardui is the medicine you need.

You can have health the same as Miss Finley if you will take the Wine of Cardui treatment. If you need advice further than the complete directions given on the bottle, address The Ladies' Advisory Department, Chattanooga Med. Co., Chattanooga, Tenn.

## WITH SOME SUCCESS

### EUROPEAN POWERS EXERTING PRESSURE TO AVERT TURCO-BULGARIAN WAR.

### STARTLING RUMORS CURRENT

### CONTINUATION OF ATROCITIES SHOWS THE SITUATION IS GROWING WORSE.

London, Sept. 12.—The powers are evidently still exerting pressure both at Constantinople and at Sofia to avert a Turco-Bulgarian war, apparently with some temporary success; but meantime an increasingly terrible tale of atrocities committed in Macedonia shows that the situation is daily becoming aggravated.

The news that a French squadron is going to the Levant is also held to be ominous and this step by the French government will probably be followed by similar action on the part of the other powers.

According to special dispatches from Constantinople the Mussulmans sacked Christian houses during the disorders at Beirut and startling rumors of all kinds are current, including a general massacre at Beirut and the imminent dynamiting of public buildings and the poisoning of the water supply at Constantinople.

From Vienna comes an unconfirmed report that Boris Sarafoff, the Macedonian leader, has been murdered near Monastir.

### MANY VILLAGES BURNED.

Thirty-four Settlements in Okrida District Destroyed.

Sofia, Sept. 12.—Further details of the villages burned and massacres committed in the vilayet of Monastir have reached here from trustworthy sources at Salonica. The names are given of thirty-four villages in the kaza of Okrida which have been burned by the Turks.

At Velgoshli, near Ortakol, twelve men and women perished in the flames. Sixty peasants were killed in this neighborhood, most of the bodies being left unburied. Nine villages and a large forest area have been burned in the kaza of Resen. At Podmochni and Pokolvenik many women and children were killed. In the kaza of Prespa the soldiers surrounded a forest in which the women and children from the villages of Louboino and Bratichino were concealed. They violated the women and put many of them to death.

### BLOODCURDLING ATROCITIES.

Awful Deeds of Turkish Soldiers in Adrianople.

Sofia, Sept. 12.—The revolutionary headquarters here has received from Burgas news of fearful atrocities committed by the Turkish and Albanian soldiers in the vilayet of Adrianople. A squadron of Turkish cavalry intercepted and slaughtered fugitives attempting to cross into Bulgaria. Sixty Bulgarians were killed within three kilometers of the frontier. The whole district of Losengrad is filled with Albanian troops who are burning villages and massacring the inhabitants. They have killed fifty persons and have slain fifteen others in the village of Kula, twenty-two people in the village of Evkeleer, eighteen families at Taspeta, and twenty families at Asmadgik. Eighty families fleeing from various villages toward the frontier have been literally cut to pieces by Turkish

soldiers during the last few days.

### ACTING WITH GREAT ENERGY.

### New Vail of Beirut Has Made Many Arrests.

Constantinople, Sept. 12.—Telegrams from Beirut say that calm continues there, but that many shops are closed. Nazim Pasha is acting with energy and has made many arrests. He has expelled scores of suspected persons. Minister Leishman's demand for the dismissal of Reshid Pasha, wali of Beirut, was supported by the British, French and Italian ambassadors, and, owing to Reshid's powerful influence at the Yildiz Kiosk, it needed much diplomatic pressure combined with the presence of the American squadron to secure compliance.

The official gazette announces the appointment of Nazim Pasha as wali of Beirut ad interim.

### FOR REPORTING ATROCITIES.

Correspondent, Consul and Missionary in Danger.

London, Sept. 12.—The Daily Mail's correspondent at Monastir says that himself, the British vice consul, McGregor, and an American missionary, Bold, are the intended victims of the Turkish revenge, because they reported the Turkish atrocities. If their murder could be compassed it would be fathered on the Bulgarians.

A Constantinople dispatch to the Daily Mail says the porte telegraphed to Washington asking to have the American squadron recalled from Beirut, but the request was refused. Minister Leishman declared that it would remain until the departure of the late wali, Reshid Pasha.

### NAVAL DIVISION READY.

French Warships Will Be Sent to the Levant.

Paris, Sept. 12.—The commander of the French Mediterranean squadron at Toulon has received orders to hold in readiness to leave for the Levant a naval division.

The orders to have a naval division ready to sail for the Levant are the result of the recommendations of the French ambassador at Constantinople to have a strong force in readiness. These recommendations were made during the excitement at Constantinople a week ago.

### ATTACKS BRITISH CABINET.

Rosebery Blames Ministers for South African Disasters.

London, Sept. 12.—Lord Rosebery, replying to a correspondent, has written lengthily on the subject of the recent report of the committee of inquiry into the South African war. He vigorously condemns the cabinet as being severally and individually responsible for the disasters and the ineptitudes of the conduct of the war and advocates a new departure in the military management of Great Britain, commencing by requesting the king to entrust the entire management of the war to General Lord Kitchener, with the fullest authority to reorganize the present system.

### FIERCE ELECTRIC STORM.

One of the Worst of the Season Visits St. Paul.

St. Paul, Sept. 12.—One of the fiercest electric and rain storms which St. Paul and vicinity has experienced this season broke a few minutes before 6 o'clock p. m. From that time on the rain fell in torrents, with but momentary lulls to gather new force. The rain had not been falling five minutes before the gutters were choked and the pavement converted into miniature lakes of surprising depth to the unlucky pedestrian.

All of the car lines were more or less hampered in their service.

### MALTREATED PRISONERS.

Three German Officials Sentenced to Serve Time.

Berlin, Sept. 12.—Paul Perwitzsky and Ernest Wahl, directors of a workhouse at Saalhausen, a suburb of Dresden, and a policeman, Anton Bruch, have been sentenced to two years and six months, and six months' imprisonment, respectively, in connection with abuses committed on the inmates of the institution. The inmates were maltreated, compelled to climb on a hot stove and march at double quick until they were exhausted.

### FIVE PER CENT INCREASE.

Anthracite Miners Entitled to an Advance in Wages.

Wilkesbarre, Pa., Sept. 12.—Mine workers and operators of the anthracite region have been advised by Charles P. Neill, who was appointed by the anthracite strike commission as computer of prices at tidewater, that the miners are entitled to a 5 per cent increase in wages, in accordance with the recent advance in the price of anthracite, to go into effect for the month of September.

### POWDER CAR RUNS AWAY.

Crashes into a Train and a Terrific Explosion Follows.

Eldorado, Kan., Sept. 12.—A carload of powder set on a Frisco siding near Beaumont by a freight crew which did not want to handle it while switching, got beyond control and ran several miles on a branch line toward Winfield, colliding with a train which had left that station shortly before and exploded, killing two and injuring two more.

In addition the explosion tore up several rods of track and dismantled a locomotive. The shock of the explosion shook the ground for miles around.

## HEAVY LOSS OF LIFE

### LIST OF CASUALTIES IN STORM OVER BRITISH ISLES CONTINUES TO GROW.

### SHIPPING SUFFERS SEVERELY

### HOP GARDENS OF KENT RUINED AND MANY CATTLE AND SHEEP PERISH.

London, Sept. 12.—While the details of the havoc wrought by the storm which raged over the British Isles are incomplete the reports coming in from all parts of the United Kingdom show that the devastation was general and it is feared that the loss of life is much greater than was at first supposed.

Lloyds already reports over fifty serious casualties to shipping. All sorts of vessels were caught in the gale and many foundered, several with their crews. A great number of minor craft is believed to be lost and the bodies washing ashore continue to swell the list of fatalities.

The gale sprang up with sudden fury from the southwest and the wind blew with a velocity at times reaching 72 miles an hour. This continued for several hours. All the coast towns suffered and the agricultural regions in the interior report incalculable damage owing to the late harvest. The beautiful hop gardens of Kent have been ruined and in many places the valleys of the Thames and the Severn are submerged, many sheep and cattle being drowned.

For some time telegraphic communication was stopped and the land lines are still interrupted. The telegraph companies report that the wires and poles are down everywhere. Great numbers of fine trees in the parks of London and other cities were torn up by the roots or stripped of their branches and the list of minor damage and casualties is amazing. In addition to the deaths from drowning, reports from the inland give many fatalities resulting from various causes incident to the storm.

Dispatches from France and Germany indicate that widespread damage has been caused by the storm on sea and land. Telephonic communication between London and Paris has not yet been restored and there is much delay in telegraphic dispatches owing to the damage to the continental land lines.

Severe storms occurred today at Munich, Frankfurt on the Main, and the surrounding country. Great damage was done.

### FRENCH COAST SUFFERS.

Storm Wrecks Many Fishing Boats and Other Craft.

Paris, Sept. 12.—Telegrams continue to report great ravages caused by the storm which still swept the coast of Brittany and the English channel during the day, but is reported to be slightly abating. The principal sufferers are the fishermen, many of whose boats have been wrecked, though the loss of life reported is small. The pilot boat Le Havre was wrecked near Cherbourg and the captain and two sailors were drowned. The storm, which was accompanied by heavy hail, extended inland, devastating the fruit trees and vines especially in the champagne region around Rheims. The heavy rainfall also caused floods which have done much damage.

### TAGGART FOR CHAIRMAN.

Democratic National Committee Selects a Leader.

Chicago, Sept. 12.—Thomas Taggart, former mayor of Indianapolis and since 1892 a member of the national Democratic committee, will succeed Senator J. K. Jones of Arkansas, as chairman of the national committee. The selection was practically decided upon after a series of conferences held in Chicago between the leading members of the committee.

Mayor Taggart says he will accept the position if it is formally offered to him.

Since 1896 Mr. Taggart has been prominent in Democratic politics and is one of the leaders of the party in Indiana.

Senator Jones, who is now chairman of the national committee, has been at the head of the Democratic organization since 1896.

### TWO WELL KNOWN PASTORS RESIGN

Rev. A. H. Carver Has Tendered His Resignation and will Leave Brainerd.

HAS RECEIVED SEVERAL OFFERS

Rev. Seth W. Hover, of the First Baptist Church, also Tenders His Resignation.

Announcement has been made of the resignation of Rev. A. H. Carver, pastor of the First Presbyterian church, which will come as quite a surprise to many Brainerd people. The resignation was made some time ago, but was not made public until today.

Rev. Mr. Carver has been identified with this church for some years and was always considered a very able clergyman, and one of the staunchest churchmen of the city. The society here loses a good man.

It is understood that he has had several offers but that he has not decided for sure which one he will accept.

The church here will secure someone to supply the pulpit for a month or two, until they will be able to decide on a new pastor.

Announcement has also been made of the resignation of Rev. Seth W. Hover, of the First Baptist church. He also has several offers under consideration but has not, as yet, decided where he will go.

He has been pastor of the church here for about three or four years, and has been a faithful and consistent worker. He returned this afternoon from South Dakota where he supplied a pulpit for a Sunday.

### NARROW ESCAPE IN MANHOLE.

O. J. Roberts While Flushing a Sewer had a Narrow Escape from Being Badly Burned.

O. J. Roberts, who is employed with F. H. Gruenhagen, had a narrow escape from being badly burned yesterday afternoon, while flushing a sewer. He had gone into a manhole on the corner of Fifth and Maple streets and was engaged in flushing the big main sewer. The sewer was plugged up and a lot of gas had accumulated. As soon as the air got through the opening, the gas which was in the big twelve-inch sewer ignited from a small lamp and a flame completely encompassed Mr. Roberts. It is two to one that the next time he goes down into a manhole to flush a sewer that he will be more careful.

As it was the young man's hair was badly singed and he was slightly burned about the hands.

## VENEZUELA PROTESTS

ARBITRATORS DECIDE GOVERN-  
MENT MUST PAY A BELGIAN

COMPANY \$2,000,000.

PRESS IN A TOWERING RAGE

CHARACTERIZES MEMBERS OF  
THE COURT AS ROBBERS

WORTHY OF HANGING.

Willemstad, Curacao, Sept. 12.—

The decisions in the cases of the big

claims against Venezuela presented to

the mixed tribunals have begun to be

rendered. The Dutch and Belgian ar-  
bitrators and the Venezuelan umpire

delivered judgment condemning Ven-  
ezuela to pay the Belgian company own-  
ing the Caracas waterworks \$2,000,000.

Notwithstanding the fact that the

meeting of the tribunal was declared to

be secret, the Venezuelan govern-  
ment immediately divulged its de-  
cision everywhere and also started the

semi-official press complaining

against Dr. Fliiz, the Dutch arbitrator,  
who is a former president of the high

court of the Dutch West Indies, and  
the other arbitrators, who are charac-  
terized as robbers worthy of hanging.

The violence of the press is without

precedent, going so far as to say the

government will not accept the judg-  
ment.

RECEIVED BY THE POPE.

Private Audience Given Polish-Ameri-  
can Catholics.

Rome, Sept. 12.—The pope during

the day received cordially in a private

audience the delegation from the Pol-  
ish Catholic congress in America,

composed of Father Wenceslaus  
Kruska of Ripon, Wis., and Roland

B. Mahany of Buffalo, who were ac-  
companied by Father Intonucci of the

congregation of the Holy Spirit.

The delegation presented his holiness

with a Latin pamphlet setting forth

the wishes of the Polish-Ameri-  
cans, which consisted mainly of hav-  
ing representatives of their national-  
ity in the Catholic hierarchy in the

United States, it being pointed out

that while the German Catholics, num-  
bering 3,000,000, have thirteen bish-  
ops and two archbishops, the Poles,

numbering 2,000,000, have none. The

pope gave the delegation satisfactory

assurances.

At the close of the audience Pope

Pius, after giving a hand to kiss, pre-  
sented Father Kruska and Antonucci

and Mr. Mahany with his photograph

bearing his autograph, which he wrote

in their presence.

ONLY TWO MINOR CHANGES.

Mining Congress Adopts Constitution

as Submitted.

Lead, S. D., Sept. 12.—The constitu-  
tion and bylaws which were the spe-  
cial order for the morning's session of

the American Mining congress were

adopted as submitted, with the

exception of two minor changes.

These consisted in the reduction of

the number of delegates to be ap-  
pointed by the governor of a state

from fifteen to ten and the reduction

of the number of delegates to be ap-  
pointed by a chamber of commerce,

board of trade or other such body from

three to two, the object being to place

the congress in a more independent

position.

The report of the committee on cre-  
dentials was submitted and accepted.

A resolution asking the United

States congress to pass a law for the

establishment of a department of

mines and mining with a representa-  
tive in the president's cabinet was

passed.

Events at Milwaukee.

Milwaukee, Sept. 12.—The New

York Athletic club carried off the hon-  
ors in the great national championship

senior events of the Amateur Athletic

union at State Fair park during the

afternoon, winning a total of 59 points,  
against 36 for the Milwaukee Athletic

club, which was its nearest competi-  
tor. The first Regiment Athletic as-  
sociation, Chicago, finished an easy

third, with 29 points. The Montreal

Amateur Athletic association, with

but three representatives, has ten

points to its credit, and the University

of Chicago is next in line with 9 points.

Greater New York Irish Athletic as-

each took three points.

## CONFIRM THE CHARGES.

Private Letters From Monastir Tell

Of Outrages.

London, Sept. 12.—Private letters

from Monastir say that the Wallachian

inhabitants of Krushovo fully confirm

the charges made by the Bulgarians

that the Turkish soldiers and Bashis

Bazouks outraged and slaughtered de-  
fenceless women and children there,

the atrocities continuing two days and

nights. As the Wallachians hate the

Bulgarians their testimony in this in-  
stance carries considerable weight.

Hilmi Pasha has admitted that thirty

Zashi Bazouks were concerned in the

affair.

A pitiful condition of affairs still

exists at Krushovo, where the wounded

people are lying on bare floors, with

their undressed wounds bound in soiled

rags. The only doctor in the town

was killed and the drug store destroyed.

The Turkish officers now will

neither permit a doctor to go to the

town nor the wounded to be removed

to Monastir for treatment. The wound-  
ed are mostly women and children.

It appears that for diabolical reasons

the women were especially outraged,  
how many will never be known, but

a large number of cases have been

fully authenticated.

Many dead bodies were eaten by

dogs and their skulls and bones are

still lying on the ground. The mili-  
tary hospital at Monastir is filled with

1,000 wounded soldiers, many lying

on the floor amid filthy surroundings.

SEVERE FIGHTING OCCURS.

Over a Hundred Bulgarians Killed in

One Battle.

Salonica, Sept. 12.—According to of-  
ficial reports 103 Bulgarians were

killed in a fight at Resen on Wednes-  
day, severe fighting has taken place

at several other points.

The insurrection in Eastern Ma-  
cedonia is progressing slowly. Gen-  
eral Zontcheff has been engaged in

three skirmishes with the Turks in the

district of Djoumaia. The insurgents

fought a band of Bashis Bazouks be-  
tween Popadi and Vartisch, in the dis-  
trict of Voles. The Bashis Bazouks

lost eighty killed. Next day the regu-  
lar troops pursued the insurgents into

a forest, but fell into an ambush in

which many of them perished. The

Turkish artillery has utterly destroy-  
ed the village of Dobrovani, Monastir

vilayet. Many of the inhabitants

were killed.

Serious fighting occurred at Mohi-  
yo on Sept. 5, when the insurgents,

who occupied a strong position, are

said to have killed 100 Turks, while

their own loss was insignificant. The

same night the great monastery of

Cherbeen at Mohiyo was looted. Two

servants of the monastery, who were

sent to Monastir to complain of the

outrage, were killed on the way.

MURDERED IN NEW YORK.

Former Italian Secret Service Officer

Killed.

New York, Sept. 12.—Arcangelo

Rainio, formerly an officer in the Ital-  
ian army and later connected with the

secret service in Italy, was shot dead

during the day in a hallway adjoining

a saloon at Second avenue and East

One Hundred and Thirtieth street.

Rainio came to this country three

years ago. While in Italy he had been

instrumental in the conviction of a

number of dangerous characters. It

is said that he fled from Italy to save

his life, fearing that certain men would

kill him. He went to live in Philadel-  
phia and came to New York now and

then. While on one of his visits he

made the acquaintance of Teresa

Gianzo, a beautiful young woman,

who is spoken of as the "Belle of Lit-  
tle Italy," and who lives over the

saloon. Rainio visited the girl during

the day and about an hour later two

shots were heard and two men were

seen running from the house. Rainio

was found dead in the hallway, hav-  
ing been shot through the back of the

head. Near the body the police found

two sidearms, a pair of heels from a

woman's shoe and four pistol car-  
tridges.

The girl, who raised an alarm that

men were robbing her apartment just

Daughter Sets Her Clothes on Fire

and Perishes.

Chicago, Sept. 12.—In the presence

of her blind mother, Mrs. Clara Cos-  
tello saturated her dress with kero-  
sene and touched a match to it. She

was so severely burned that she died.

Her mother made desperate efforts to

save the woman, but because of her

blindness was not able to accomplish

anything. Family troubles and ill-  
ness are supposed to have unhinged

the mind of Mrs. Costello.

ENTIRE FAMILY CHLOROFORMED.

Burglars Then Ransacked the House,

Taking Money and Jewelry.

Wabash, Ind., Sept. 12.—Burglars

early in the morning chloroformed the

entire family of Chris Harish, a farm-  
er living near Dora. They ransacked

the house, securing considerable

money and jewelry. As a result of

the chloroform, Miss Lulu Harish,

a daughter, is in a serious condition

and the other members of the family

are suffering from the effects of it.

WHILE RESISTING ARREST.

Two Tennessee Men Shot and Killed

by Deputies.

Camden, Tenn., Sept. 12.—Alexan-  
der Lindsley and Joseph Dougherty

were shot and killed at night by two

deputies who were trying to arrest

them on a charge of assaulting Daniel

Stockdale, an aged farmer.

Stockdale is in a precarious condi-  
tion. Lindsley and Dougherty quar-  
reled with Stockdale over a family

matter.

Confesses to Robbery and Arson.

Portland, Ore., Sept. 12.—Edward

Orphin has confessed to Chief of Pol-  
ice Hunt that since last April he has

committed highway robbery seven

times and has set fire to at least

many buildings. His action in set-  
ting fire to different buildings, he says,

has been prompted by no other motive

than a desire to see the buildings

burn.

TELEGRAPHIC BREVITIES.

contradiction of the statement that

States.

standing in the village of Eustis, Me.,

by a fire which consumed more than

twice that number.

Four students of the technical high

school of Stuttgart, Germany, have

Said That Old Passenger Tariff Will

St. Paul, Sept. 12.—The days of the  
Chicago-St. Paul \$8 rate are numbered,  
according to the statement of St. Paul  
passenger officials. It may be  
withdrawn any day and the old \$11.50  
tariff restored.

Orders were received at several of  
the city passenger offices during the  
day instructing the agents to limit re-  
turn tickets sold on a \$16 basis to ten  
days. Passenger men interpret these

It is said by an official, who is in a

### GRAFT IN PENITENTIARY.

Scandal in Connection With State  
Prison Management.

Philadelphia, Sept. 12.—Alleged in-  
regularities have been discovered in  
the cigar department of the state peni-  
tentiary in this city, and, acting upon  
the suggestion of inspectors Robinson  
and Hart, United States internal re-  
venue officials are investigating the busi-  
ness methods of the institution. Warden  
Bussinger has been granted an in-  
definite vacation and Overseer Robert  
Armstrong, in charge of the cigar  
manufacturing department, has been  
suspended.

Internal revenue officials have closed  
the cigar department and have im-  
pounded all of the raw and manufactur-  
ed material.

It is stated by United States offi-  
cials that so far at least 50,000 cigars  
are unaccounted for, and these at the  
minimum price of \$10 per thousand,

and Kansas City.

Lipton, accompanied by the Earl and

## IN HER MOTHER'S PRESENCE.

Daughter Sets Her Clothes on Fire  
and Perishes.

Chicago, Sept. 12.—In the presence  
of her blind mother, Mrs. Clara Cos-  
tello saturated her dress with kero-  
sene and touched a match to it. She  
was so severely burned that she died.  
Her mother made desperate efforts to  
save the woman, but because of her  
blindness was not able to accomplish  
anything. Family troubles and ill-  
ness are supposed to have unhinged  
the mind of Mrs. Costello.

ice Hunt that since last April he has  
committed highway robbery seven  
times and has set fire to at least as  
many buildings. His action in set-

has been prompted by no other motive  
than a desire to see the buildings  
burn.

## JUMPS FROM A BRIDGE.

Failing Health Causes a St. Paul Man  
to Suicide.

St. Paul, Sept. 12.—George W.  
Bateman, for ten years a passenger  
brakeman on the Northern Pacific  
railroad, but recently employed about  
down-town saloons as porter, ended  
his life by jumping from the north  
end of the Wabasha street bridge. He  
deliberately climbed upon the railing  
and jumped, his body striking upon a  
sandstone ledge thirty-five feet be-  
low, and bounding outwards, rolled  
to the railroad tracks, where it lay a  
mutilated corpse.

Several persons standing near saw  
Bateman start across the bridge. He  
reached the top of the railing a few  
feet from the end of the bridge, and  
had precipitated himself into the air  
before anyone could reach his side.  
Failing health is believed to have  
driven him to the rash act.
